DISTRICT 4 COMMUNITY HEALTH MEETING!
JOIN US FOR A CONVERSATION ABOUT HEALTH IN YOUR COMMUNITY!

A broad coalition led by the Allegheny County Health Department (ACHD) is developing a plan to help make Allegheny County a healthier place to live, work and play.

ACHD will hold meetings in each of the 13 County Council districts in the Fall, where we will be presenting the findings of our first major Community Health Assessment (CHA) and welcoming public discussion and participation. We want to know about the health issues and problems in your community and the best ways to improve health for Allegheny County residents.

YOUR VOICE IS CRUCIAL TO OUR SUCCESS!

Residents are encouraged to attend the County Council District 4 meeting on Monday, October 20, 2014, but are also welcome to attend any of the other meetings. Light refreshments will be served. The dates, times, and locations of these meetings can be found on the reverse side, or on our website www.achd.net/~communitymeeting. On the website, you can also find the district in which you live with our interactive county map.

We hope you will join us.

If you require special accommodations or require more information, contact our policy advisor, Casey Monroe at 412-578-8364 or via email: cmonroe@achd.net.
