

# Patient Room Service

## Welcome to Ohio Valley Hospital

We are so pleased that you chose us to provide your health care services.

This information is designed to make your stay at Ohio Valley Hospital as pleasant as possible, through the amenities offered by our Patient Room Service program.

Patient Room Service is offered by a loyal group of our volunteers. If there is something you need during your stay that is not listed on this card, please do not hesitate to call our Patient Room Service line at **Extension 6222**.

## Call Ext. 6222 for the following Patient Room Services:

- **OVH Gift Shop Food Service**

You may order food items from our Gift Shop that will be delivered by one of our volunteers. Please note, certain patients may be restricted from certain foods.

- **Shopping Service**

Our Gift Shop also offers a variety of items for purchase: ranging from decorative to necessity, and even sporting apparel. You may request a volunteer "shopper" who will purchase items for you.

- **Visitor Service**

Perhaps you would like someone to talk or play cards with! You may request a volunteer to come to your room to do so.

- **Beautician Service**

*(by appointment only)*

Please call if you would like to hear more about, or want to set up an appointment to have, a hair stylist come to your room.
